## WELCOME BACK!!

We are extremely excited to have families and students back on campus. This is going to be an exciting new school year. We have some new staff members to our campus, please stop by and welcome them to Dietz when you meet them. We have a new school counselor, Ms. McDuffie; Exceptional Education teacher, Ms. Hedgecock; K-8 Visual Arts teacher, Mr. Boswell; 4<sup>th</sup> grade substitute, Mr. Anglin; and 6<sup>th</sup> grade substitute, Ms. Holter.

All students at Dietz qualify for FREE Breakfast and Lunch. Students can eat breakfast from 7:15-7:45 am.

We understand that some families and students may be nervous coming back to campus after being away for so long. We will continue sanitation efforts and supporting your child as they transition to an in-person classroom environment. Teachers have great activities planned for the first few days of school to help students get to know each other and to build a strong classroom community.

Please feel free to reach out to us with any concerns you may have. Ms. Julie Wanat our school community liaison is now located in the front office, come say hi, or let her know if you need help connecting with community resources. We have a new school counselor, Ms. Emily McDuffie, who will also be available to provide families with support, as well as providing classroom lessons to all our K-8 students to support their social emotional needs.

As always, we are available to help you with any of your concerns that you have.

Mr. Vasquez & Ms. Gow
